

Special accessories for blind rivet setting tools

One-piece extension units

Replaces the steel case, is especially slim and therefore particularly well suited to narrow, hard-to-reach places.

for **AccuBird®**

Part no. 725 1056 (50mm)

Overall length of head: 117 mm

Part no. 725 1057 (100mm)

Overall length of head: 167 mm

for **PowerBird®**

Part no. 724 2054 (50mm)

Overall length of head: 117 mm

Part no. 724 2055 (100mm)

Overall length of head inclusive extension unit: 167 mm

Extension modules

Allow variable extension of the steel sleeve in 100 mm steps

for

TAURUS® 1 Part no. 756 2024

TAURUS® 2 Part no. 757 1086

TAURUS® 3 & 4 Part no. 758 1073

for **TAURUS® 1**

Part no. 756 2013 (50mm)

Part no. 756 2015 (100mm)

Overall length of head inclusive extension unit: 106 mm bzw. 156 mm

for **TAURUS® 2**

Part no. 757 1016 (50mm)

Part no. 757 1019 (100mm)

Part no. 757 1072 (200mm)

Overall length of head inclusive extension unit: 106 mm, 156 mm bzw. 256 mm

for **TAURUS® 3 and 4**

Part no. 758 1021 (50mm)

Part no. 758 1023 (100mm)

Part no. 758 1035 (150mm)

Overall length of head inclusive extension unit: 106 mm, 156 mm bzw. 206 mm

Special accessories for blind rivet setting tools

Multi-piece extension units

For riveted joints in low-lying places. Screwed in between the device and the existing steel case.

Total length = steel case + extension

for **PH 1 und PH 2**

Part no. 717 1641 (100mm)

Overall length of head inclusive extension unit: 167 mm

for **PH 2000**

Part no. 715 9994 (100mm)

Overall length of head inclusive extension unit: 167 mm

for **AccuBird®**

Part no. 725 2293 (100mm)

Overall length of head inclusive extension unit: 167 mm

for **PowerBird®**

Part no. 724 3278 (100mm)

Overall length of head inclusive extension unit: 167 mm

for **PowerBird® with spring loaded trigger system**

Part no. 724 2194 (50mm)

Part no. 724 3023 (100mm)

Overall length of head inclusive extension unit: 117 mm bzw. 167 mm

Offset head for PH1 and PH2

For setting rivets in places with difficult access and in corners

Angle head for PH1 with 2 part jaws
Part no. 704 0016

Angle head for PH2 with 3 part jaws
Part no. 704 0024
